Local students to discuss issues at mock board meeting

Community members are invited to attend a mock Town Board meeting during which students of Eagle Rock School and Estes Park High School will play the roles of Town department heads and managers. The meeting is part of Students in Government Day and will take place March 19 from 2:00 until 3:30 p.m. in the Town Board Room of Town Hall, 170 MacGregor Avenue. Each student will present an issue as an action item for consideration by the Board of the Trustees.

Since December of 2009, Town of Estes Park staff have worked with staff and students from Eagle Rock School and Estes Park High School in preparation for this year's Students in Government Day. The program is designed to help students develop an understanding of local municipal government and to promote their participation in community affairs by teaching them how to become more informed and involved citizens and voters.
