Dear Friends:

We are pleased that your organization is interested in participating in this year's Catch the Glow Parade on November 26<sup>th</sup> at 5:30 p.m. A parade application is available on the website. Once that application has been received by the Events Office staff it will be submitted to parade director Mike Young for his approval. As the director, Mike has the final say in whether or not the proposed unit fits within the design and theme of this year's event.

As in previous years, other than official sponsors of Town-constructed floats, **no commercial advertising is permitted** in the Catch the Glow Parade. In addition, all units must be entered by non-profit groups or sponsored by a non-profit entity in order to participate.

Remember – this is an evening parade – decorating your entry with lights is required so that it will be clearly visible. For safety reasons, **NO CANDY OR HANDOUTS MAY BE THROWN FROM THE FLOATS OR PARADE ENTRIES! IN ADDITION PEOPLE WALKING ALONGSIDE THE ENTRIES OR ACCOMPANYING THEM ON THE SIDEWALK ARE NOT PERMITTED TO DISPENSE ANY SORT OF LITERATURE OR CANDY TO THE PUBLIC. FAILURE TO ABIDE BY THIS RULE WILL RESULT IN BEING BARRED FROM THE PARADE IN 2011.**

We thank you for participating and look forward to another great holiday parade experience. If you have any questions, call Bo, Laurie or Melissa at 586-6104.

Sincerely,

The Catch the Glow Staff

**\*THE DEADLINE FOR ENTRIES IS MONDAY, NOV. 2, 2009\***
